### High Fidelity Prototypes

The image displays four high-fidelity prototypes of the Departemen Travel website:

- Home Page:** Features a banner with "We're back" and a "Why we are different?" section. It shows thumbnails for trips like "Exploring Europe by private car", "Exploring European countries with Eurovelo network", "Mountain biking group", "14 days in the Netherlands", "Winter trip everyone?", "India from north to south in 3 weeks", "Pilgrim to perform umroh", and "Trip to the Greece".
- Register Page:** A form for creating a new account with fields for Full Name, Email, and Password. It includes a "Sign Up" button and a link for existing users.
- Login Page:** A form for logging in with fields for Username and Password. It includes a "Remember me" checkbox, a "Forgot password?" link, and a "Login" button. It also features a "Don't have an account? Sign Up!" link.
- Trip Search Page:** A search interface with dropdowns for Continent, Country, and City, and a price range slider. Below the search bar, it shows a grid of 6 trip results: "Southeast Asia Thailand start from IDR 15.000K", "Southeast Asia Singapore start from IDR 15.000K", "Southeast Asia Vietnam start from IDR 15.000K", "Southeast Asia Indonesia start from IDR 15.000K", "East Asia China start from IDR 20.000K", and "Southeast Asia Laos start from IDR 15.000K".

Logo Creation, Ideation, Flowchart, UI/UX design

### About this project:

Departemen Travel was first launched in 2016, the website and business are taking a break for a while with a new brand, team and website. Departemen Travel might sound like Departmen of Travel, but the DeparTEMEN TRAVEL itself has its own meaning in Indonesian. TEMEN means Friend or Buddy in informal Indonesian. So, Temen Travel means Travel Buddy.

### Tools:

Photoshop, Illustrator, Figma.

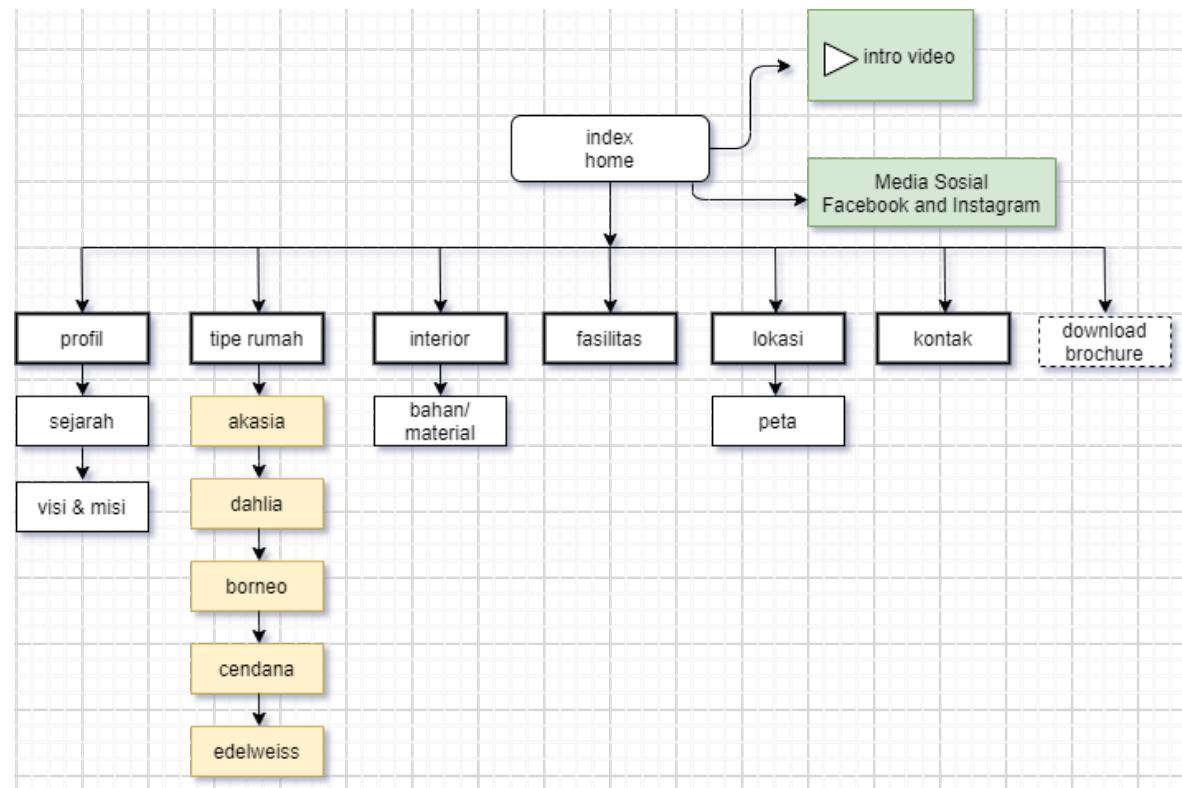

You can view the prototype [here](#).

The project is still ongoing, we're still developing the front-end and back-end for the website.

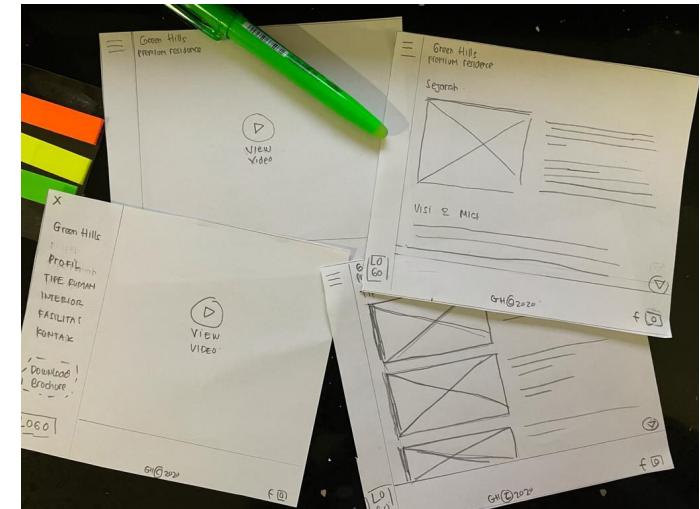

# Green Hills Premium Residence

## UI/UX design and web development

### High Fidelity Prototypes

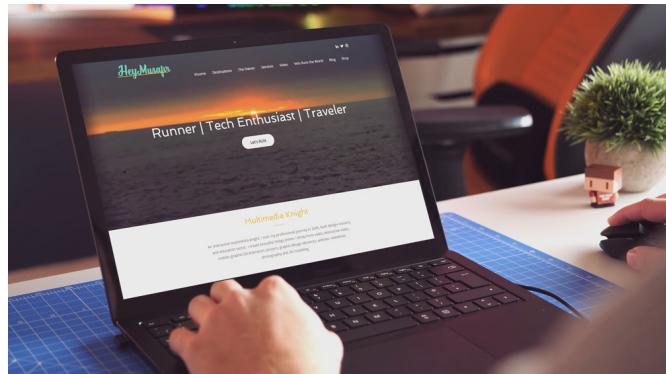

A high-fidelity prototype of the Green Hills Premium Residence website's profile page. It features a sidebar with a logo and navigation links. The main content area includes a section titled "Profile" with placeholder text, a "Sejarah" (History) section with placeholder text, a "Visi dan Misi" (Vision and Mission) section with placeholder text, and a large image of a green rice field. A footer at the bottom contains a long paragraph of placeholder text.

A high-fidelity prototype of the Green Hills Premium Residence website's "Tipe Rumah" (House Types) page. It features a sidebar with a logo and navigation links. The main content area shows six different house models with their names: Tipe Akasia, Green Hills, Tipe Borneo, Tipe Cendana, Tipe Edelweiss, and Tipe Dahlia. Each model is accompanied by a small image and a brief description.

# Event and Campaign Posters

Role: Ideation || Tools: Illustrator, Photoshop

A poster for a seminar at NUS Yong Loo Lin School of Medicine. It features a photo of a man (Professor Brian K Kennedy) and the title "The Age of Ageing - Can we Intervene? By Distinguished Professor Brian K Kennedy". The poster includes details about the date (16 April 2018), time (12.30pm to 1.30pm), venue (MD11, Clinical Research Centre, Level 1, Auditorium), and a brief description of the research.

A poster for Staff Welfare 2018 at the Peranakan Museum. It features a photo of an elderly man and a child, with the text "a guided tour to the Peranakan museum, Peranakan nyonya kueh tea at a shophouse adjacent to the museum. There will also be a photo hunt, with prizes to be won". It also mentions "a buffet lunch at Penang Place in Suntec City". The poster includes the NUS logo and "Department of Biochemistry, Yong Loo Lin School of Medicine".

Those cute animals are illustrated by my scientist colleague, Mafer Seow.
